

## Augusto Fragoso

Augusto Fragoso holds a degree in Computer Sciences and Management, with a postgraduate degree in Senior Management of Information Systems, Leadership and Digital Transformation. He has worked in a number of companies and projects at a national and international level, and in recent years held the position of CIO at ANACOM.

He continues to learn and to add to his more than 30 years' experience in management, consulting, research and teaching in the context of information systems, innovation and digital transformation.

Augusto's ongoing objective is the delivery of Systems based on an innovative approach, bringing real value to the organisation, its people and to society.
