1. Identification	
Name of the provider Country	
Type of provider (mark with a cross in the corresponding cell)	MNO Full MVNO Light MVNO/Reseller

All questions should be answered based on the current situation.

2. Structure of tariffs for international roaming (intra-EU)	Voc/No. NI/A
	Yes/No, N/A
1.1. Do you offer 3G roaming services in the EU/EEA where 4G would be available?	
a) If yes, are you planning to move soon (i.e. within this year (by the end of 2019)) to 4G roaming services wherever 4G is available in the EU/EEA?	
Services wherever 40 is available in the EU/EEA!	
1.2. Do you include non-EEA destinations in some of your offers?	
a) If yes, list non-EEA destinations included in RLAH tariffs	
b) Please specify in the comment box the approximate share of your customer base covered by RLAH	offers including non-FFA countries

2.2 Structure of alternative roaming tariffs according to Article 6e (3)

Please see BEREC Guidelines 87-93 for further information

	Available Yes/No	Comment
2.2.1. Do you offer any alternative tariffs in line with Article 6e (3)?		
In which segment(s) are alternative tariffs offered? (Mostly consumer, mostly business, similarly both segments)		
2.2.3. Does your company offer daily packages?		
2.2.4. Does your company offer weekly packages?		
2.2.5. Does your company offer monthly packages?		
2.2.6. Does your company offer other tariffs? Please give a short description		
In alternative offers, do you include non-EEA destinations at a reduced rate (or with no surcharge) while a roaming surcharge is applied in the EU/EEA?		
2.2.8. If yes, please list those destinations		•
2.2.9. Other types of alternative tariffs, please give a short description		

2.3 Tariffs without roaming

		Available Yes/No	Comment	Percentage of customers without roaming
2.3.1.	Do you offer pre-paid tariffs without roaming?			
2.3.2.	Do you offer post-paid tariffs without roaming?			
	If yes, please describe below what are these offers (e.g. bundles, data-only, low/medium/high-end			
2.3.3.	tariff plans, etc.) and why roaming is not provided			

	Available Yes/No	If yes, since when	Percentage of customers without roaming
2.3.4. Were there any tariff plans from which roaming was withdrawn after July 1st 2018?			
2.3.5. If yes, please describe the reason for withdrawing roaming services from a tariff.			

3. Information provided by operators

3.1 Welcome SMS

	Yes/No, N/A
Do you inform your customers in the welcome SMS that the domestic tariff is applied while	
3.1.1. roaming in EEA?	
3.1.2. Do you provide information on the fair use policy in your welcome SMS within EEA?	
3.1.3. What basic pricing information do you include in welcome SMS outside EEA?	

3.2 Alternative tariffs

Alternative tariffs and regulated tariffs	Yes/No, N/A
Do you inform end-users that have opted for alternative tariffs about the regulated tariff? (N/A if	
you don't offer alternative tariffs)	
If yes, how do you inform them:	Yes/No, N/A
Website	
Contract	
On the mobile terminal via SMS	
On the mobile terminal via an application	
Call center	
Personal page e.g. MyPage	
Point of sales	
Bill	
Other (comment box below)	
	Please indicate period
If yes, how often do you remind end-users with alternative tariffs about the regulated tariff?	

	Alternative tariffs	Yes/No, N/A
.2.4.	Are there any activation charges applied when switching between alternative tariffs?	
	Also for alternative tariffs limited in time, do you inform end-users about the tariffs/charges they	
.2.5.	have to pay for roaming services when their alternative tariff period ends?	
.2.6.	Do you inform end-users actively when they	
a)	reach the limits included in the bundle ?	
b)	reach a certain percentage of the limits in the bundle (please specify the percenage)	
	Regarding alternative roaming bundles, do you inform end-users using an alternative tariff (via	
.2.7.	SMS, website, etc.) about the charges applied for out-of-bundle consumption?	

3.3 Switching between tariffs

	Yes/No
Is the customer allowed to switch back to RLAH in case they have an alternative tariff according to	
Article 6e (3)?	
Where do you provide information concerning switching between tariffs?	Yes/No, N/A
