Determination of 24.10.2007

**Final decision on the authorisation for the transmission to OPTIMUS Telecomunicações S.A. of frequency and number usage rights granted to NOVIS TELECOM S.A.:**

1. To authorise the transmission of frequency usage rights granted to OPTIMUS – Telecomunicações, S.A. for the provision of the Land Mobile Service (License no ICP – 014/TCM) and for the operation of the International Telecommunications System (IMT2000/UMTS) – License no ICP – 04/UMTS – to the rights and powers of NOVIS TELECOM, S.A., without prejudice to the need for ensuring compliance with the obligation of effective use of frequencies.
2. To subject the authorisation set out in the above item to the compliance by NOVIS TELECOM, S.A. with the obligation of establishing an account-separation and organized cost accountancy system for the unit within the incorporating company which is to be responsible for providing mobile communications networks and services. This system shall be in accordance with the system to which OPTIMUS is currently committed, under the terms of ICP-ANACOM's Decision of 25.02.2005 regarding the enforcement of obligations in the Wholesale Market for Voice Call Termination in Individual Mobile Networks.
3. To authorise, without prejudice to the need for ensuring compliance with the obligation for effective use of numbers, the transmission, from OPTIMUS – Telecomunicações, S.A. to NOVIS TELECOM, S.A. of the usage rights in respect of the following numbers of the National Numbering Plan:
