Attachments: Document_07.10.2011.pdf

Dear Mrs. Botelho,

please find attached the document that we received from ANACOM.
As far as we understand this document, there are some new regulations for the telephon services in Portugal.
We are not providing telephon services.
We are an operator that is establishing VSAT's and providing satellite services.

Please let me know if you need more information.

Kind regards

Nenad Nedoklan-Jovanovic
